

A cheese relief sculpture depicting a historical scene, likely the Terracotta Army. The sculpture is composed of various cheese types, such as cheddar and mozzarella, shaped into the forms of soldiers in traditional Chinese armor. The figures are arranged in a group, with some in the foreground and others in the background. The sculpture has a rustic, hand-made appearance.

## Cheese Relief Sculpture Of History Event

2019 History Project  
Wayne Guo

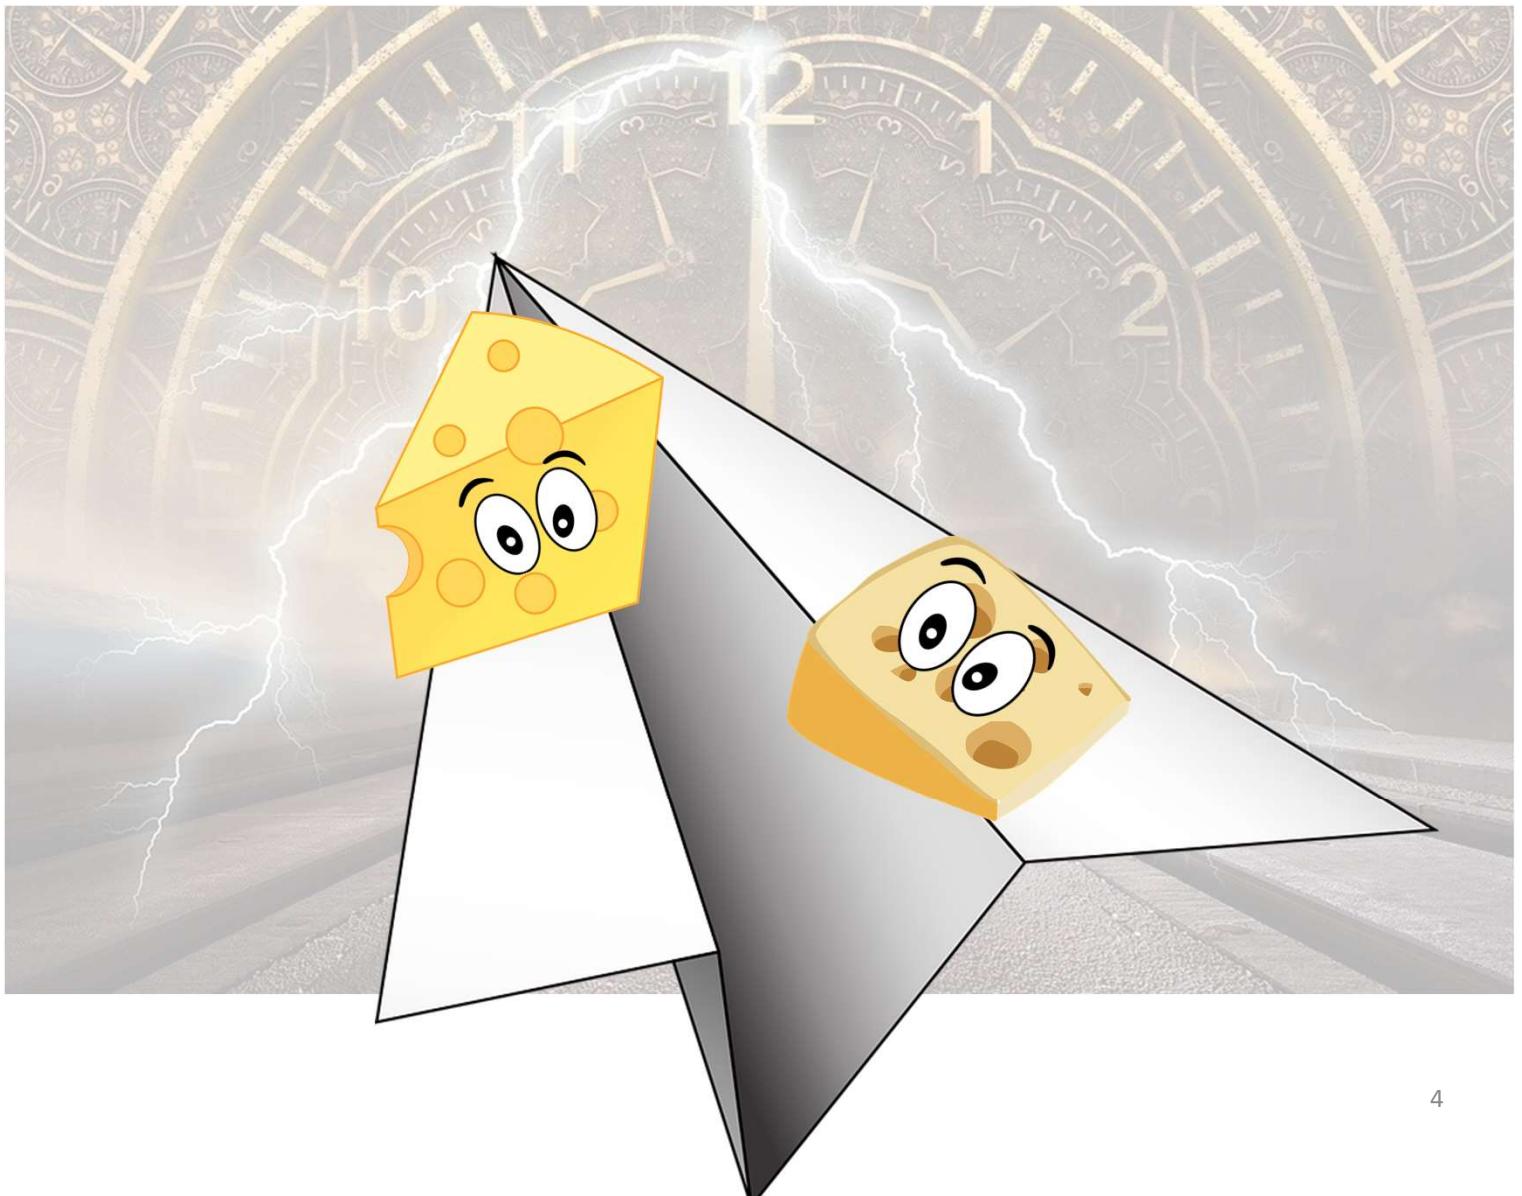

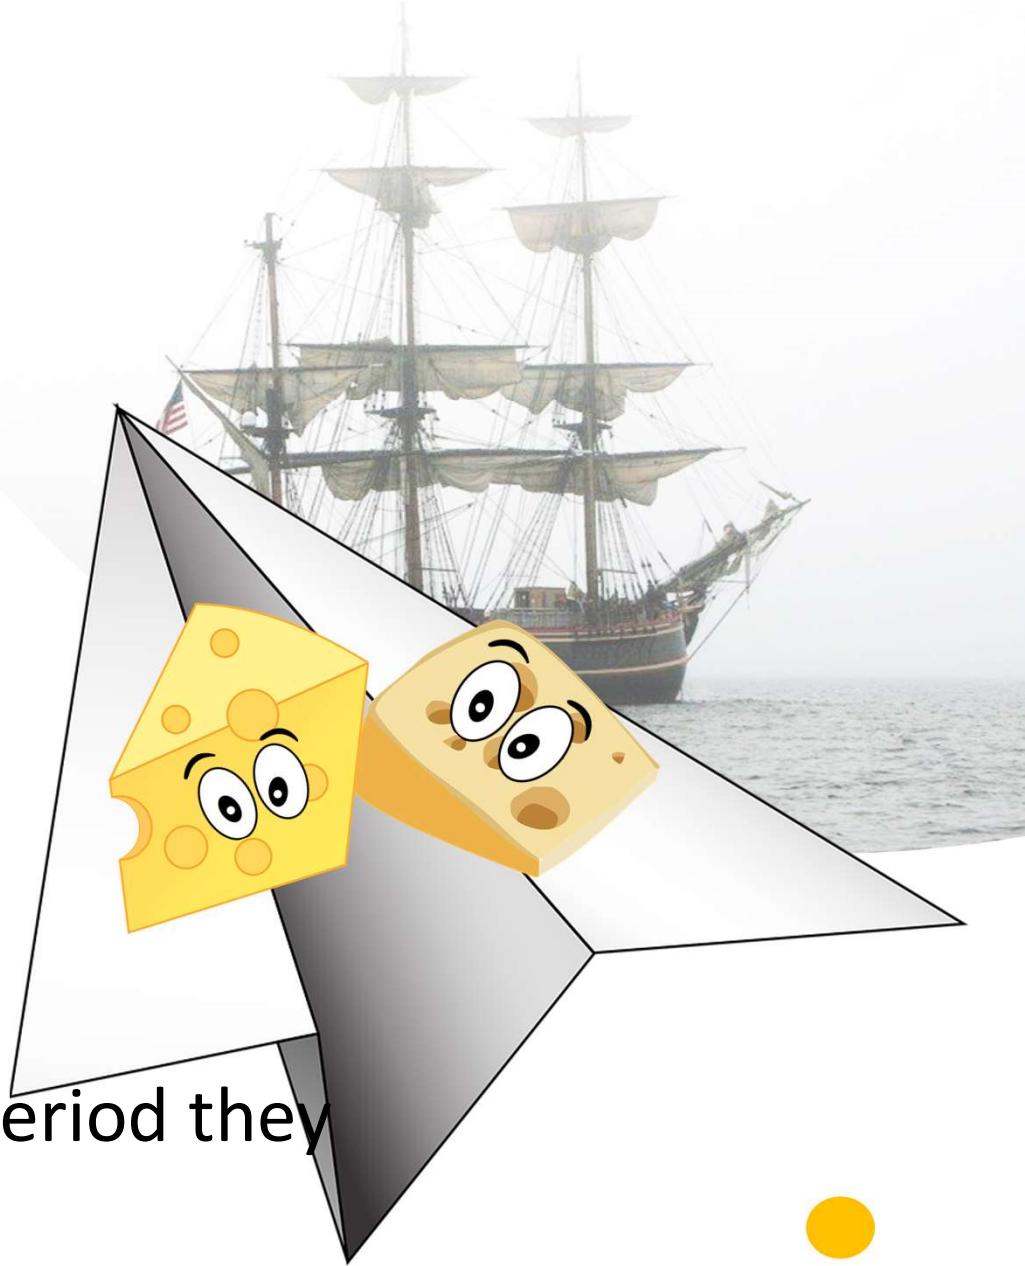

- Cheese's are trying to make themselves into **Relief Sculpture** of history event and make a show.

- They are doing the work according files in their laptop. But the American Cheese sprinkle milk on their hard drive.

Since this is a secret work, they cannot ask others for help or searching on the Internet. So they use the time machine to find out the missing information.

The first time period they went to is the **Exploration**. They are trying to find out what let the Exploration happened.

---

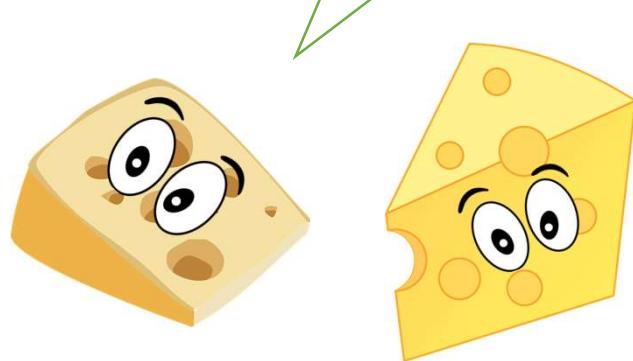

But they need the spices from east Asia, so they are trying to find a new path over the ocean.

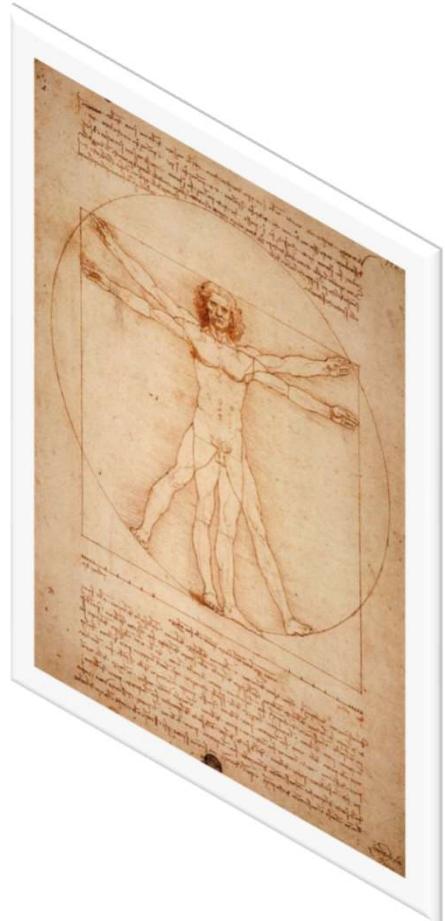

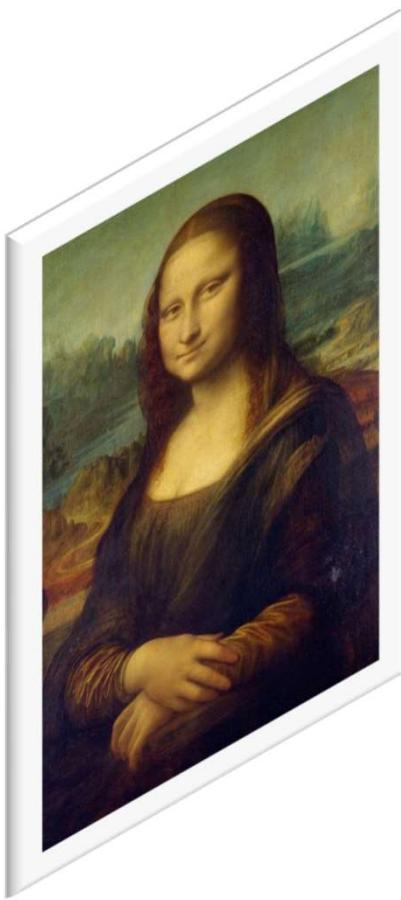

Then they discover the America by “mistake”. Though they don't know they find America at that time

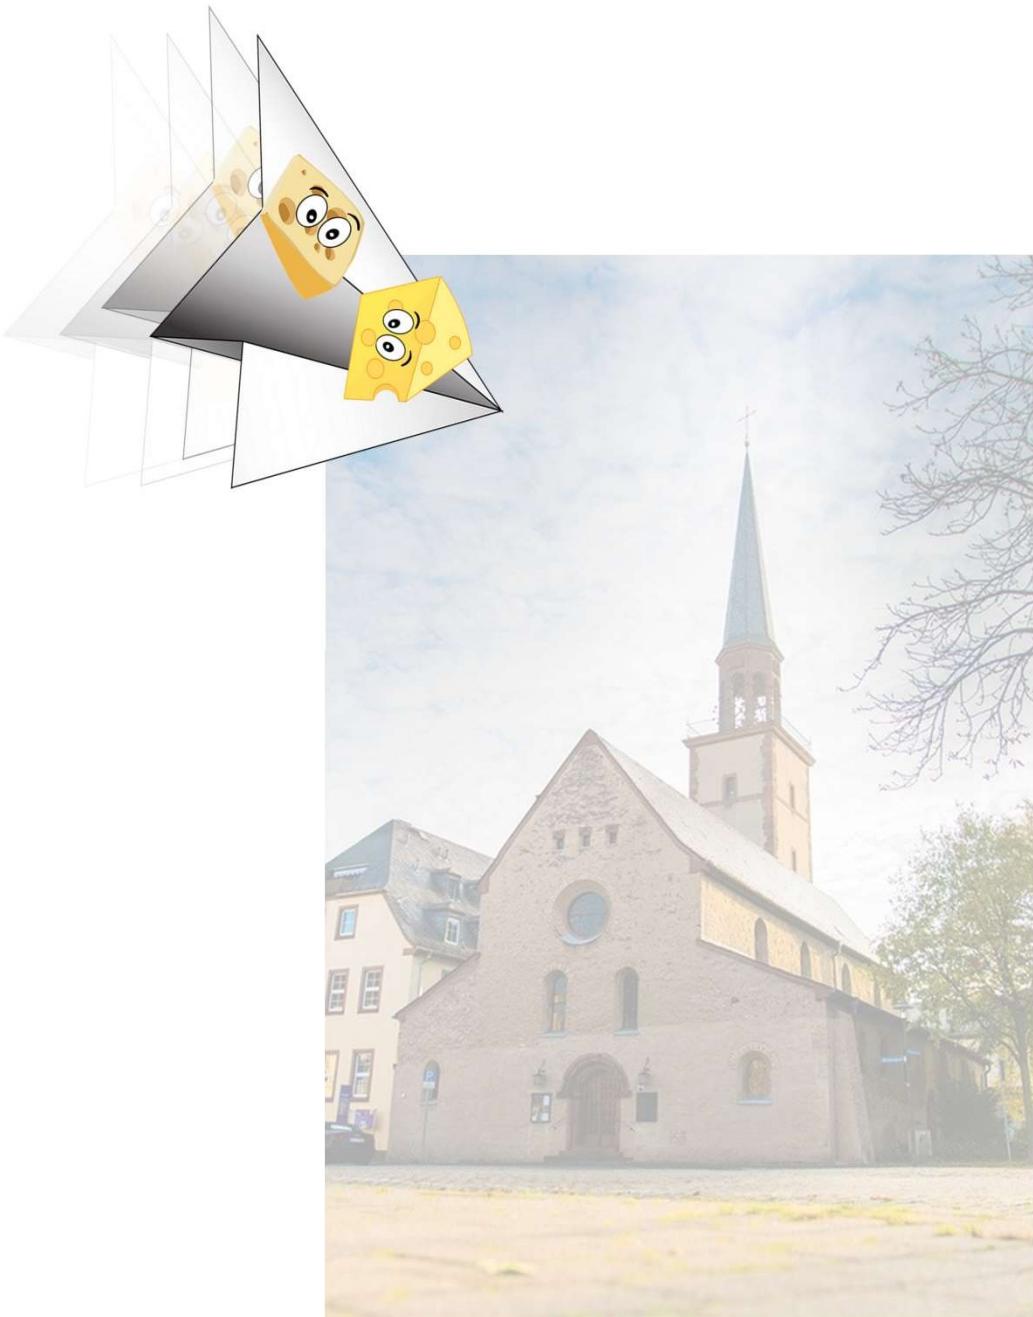

Hi, we are going  
to make some  
copies of your  
works.

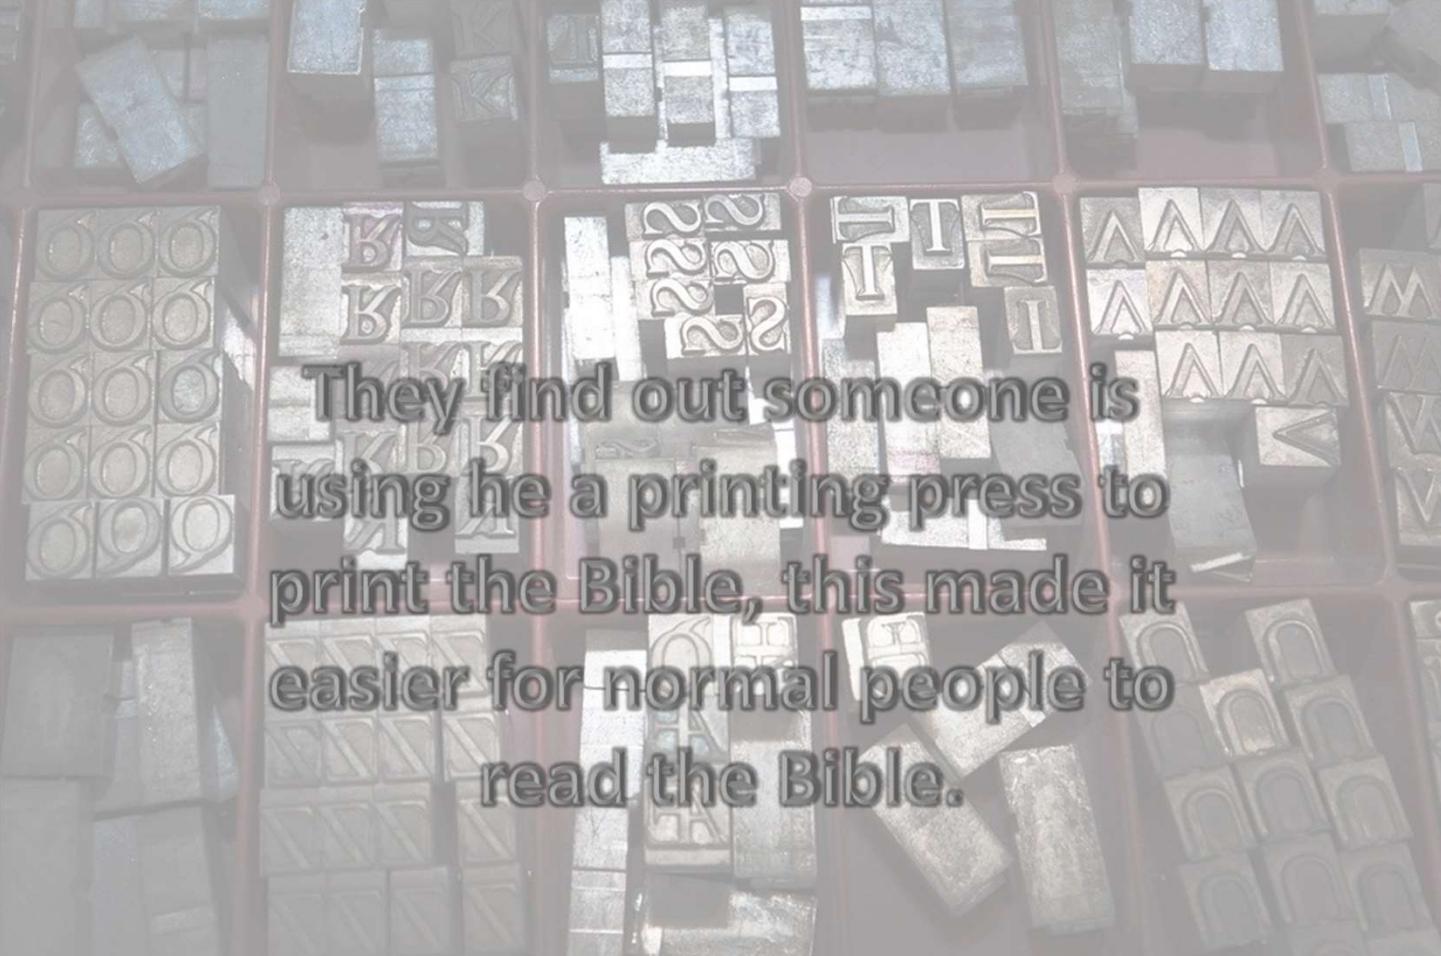

The first place they go is Da Vinci's house.

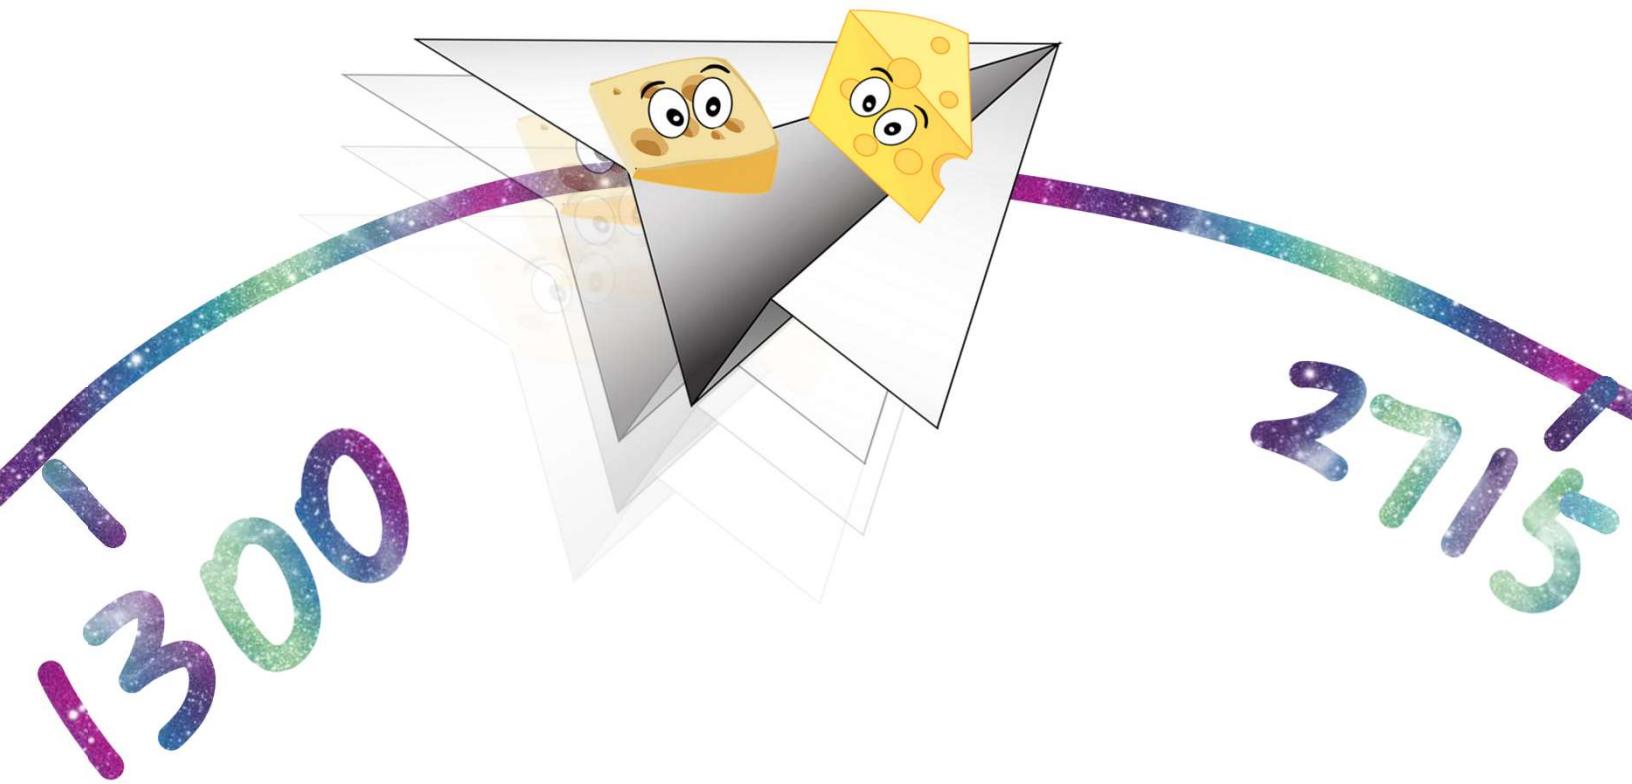

Although Da Vinci has a little bit unwilling and don't understand. He still allowed cheeses to use Atom Scanner to copy his work.

When farewell the Renaissance time, the third time period they went to is the **Reformation**. They are trying to collect information of why people did reformation at that time.

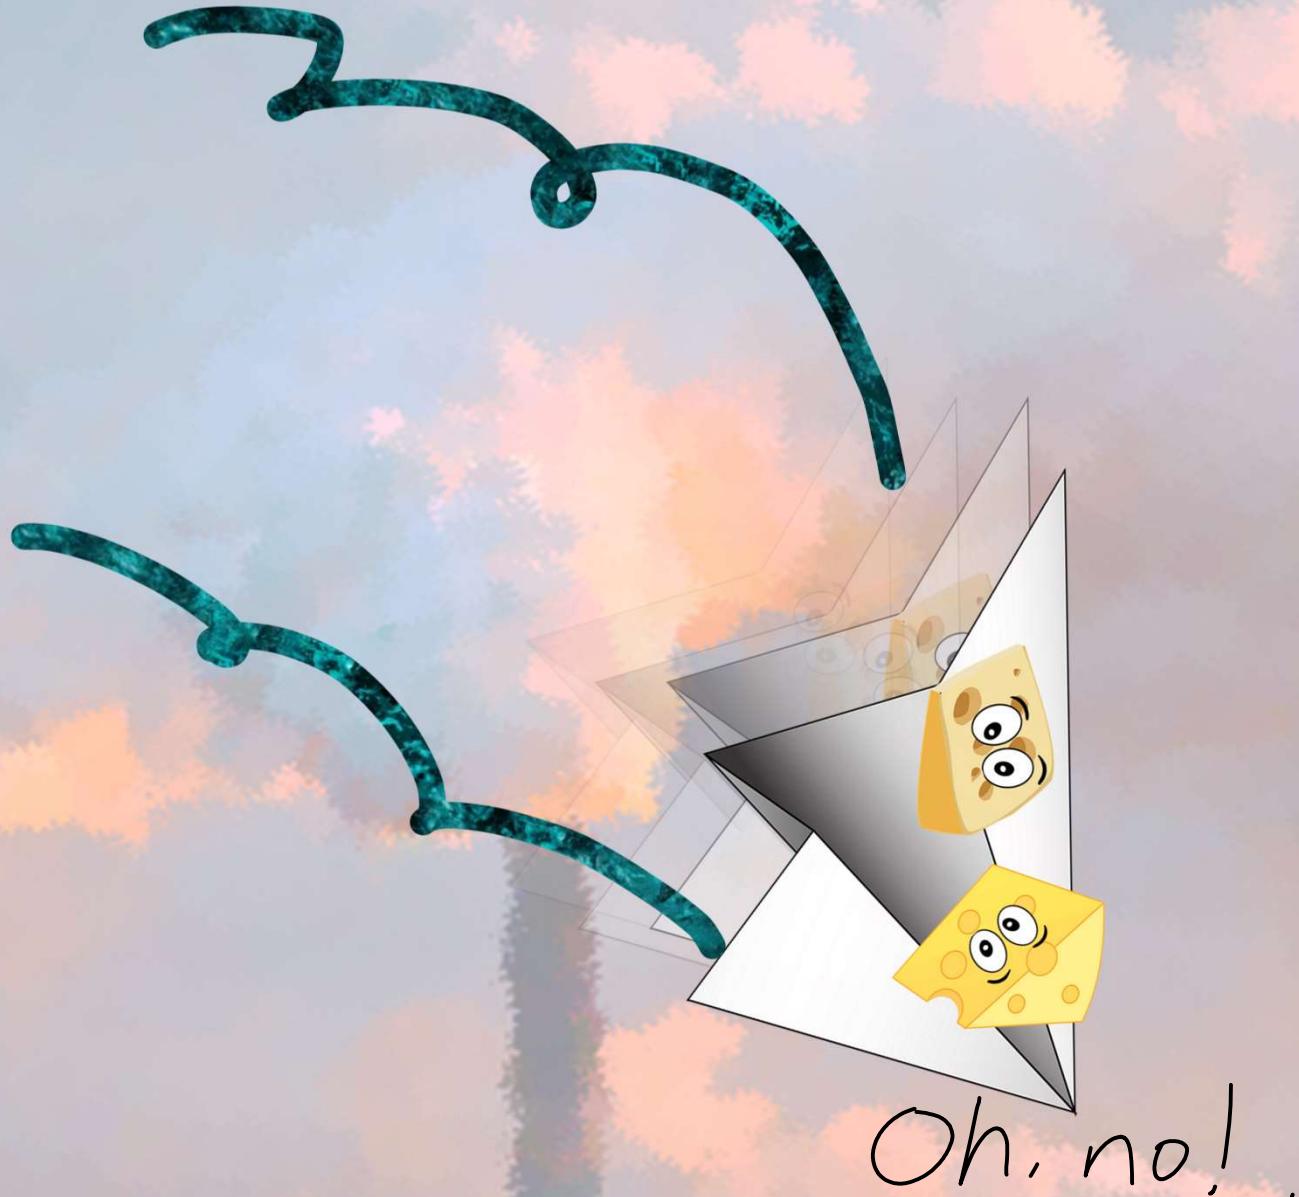

They find out someone is  
using he a printing press to  
print the Bible, this made it  
easier for normal people to  
read the Bible.

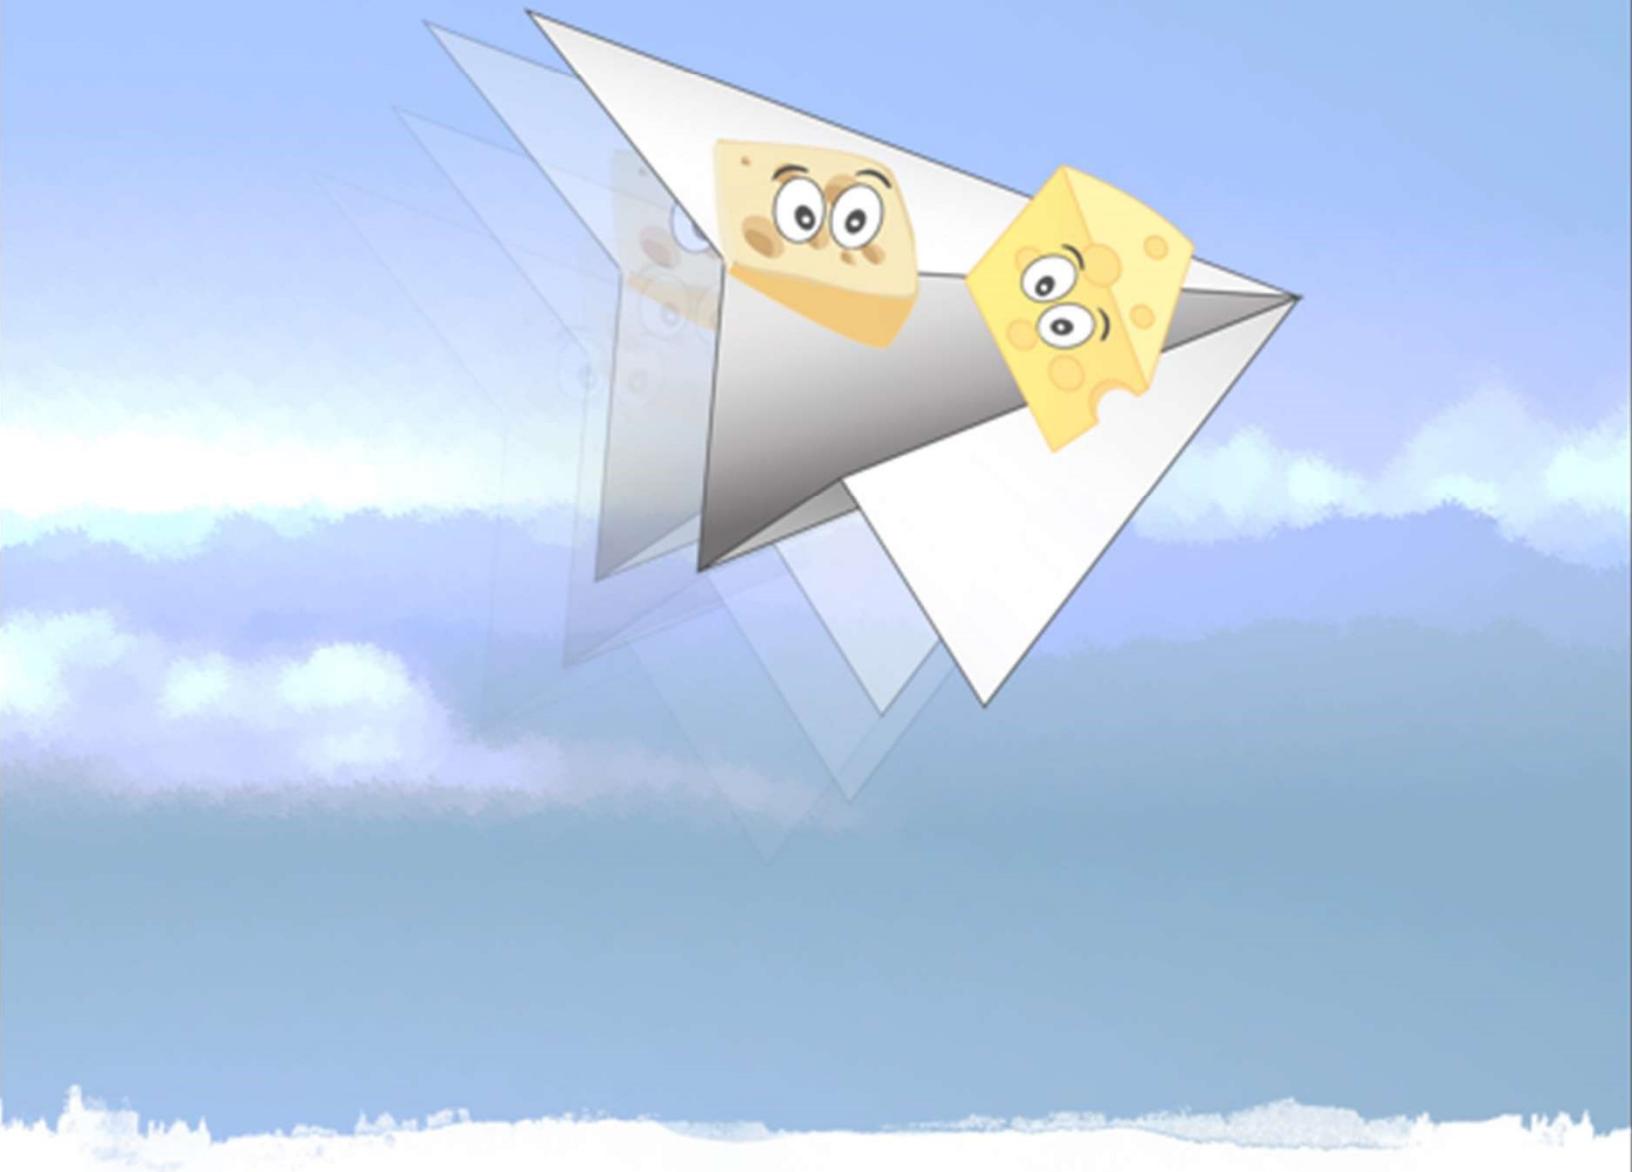

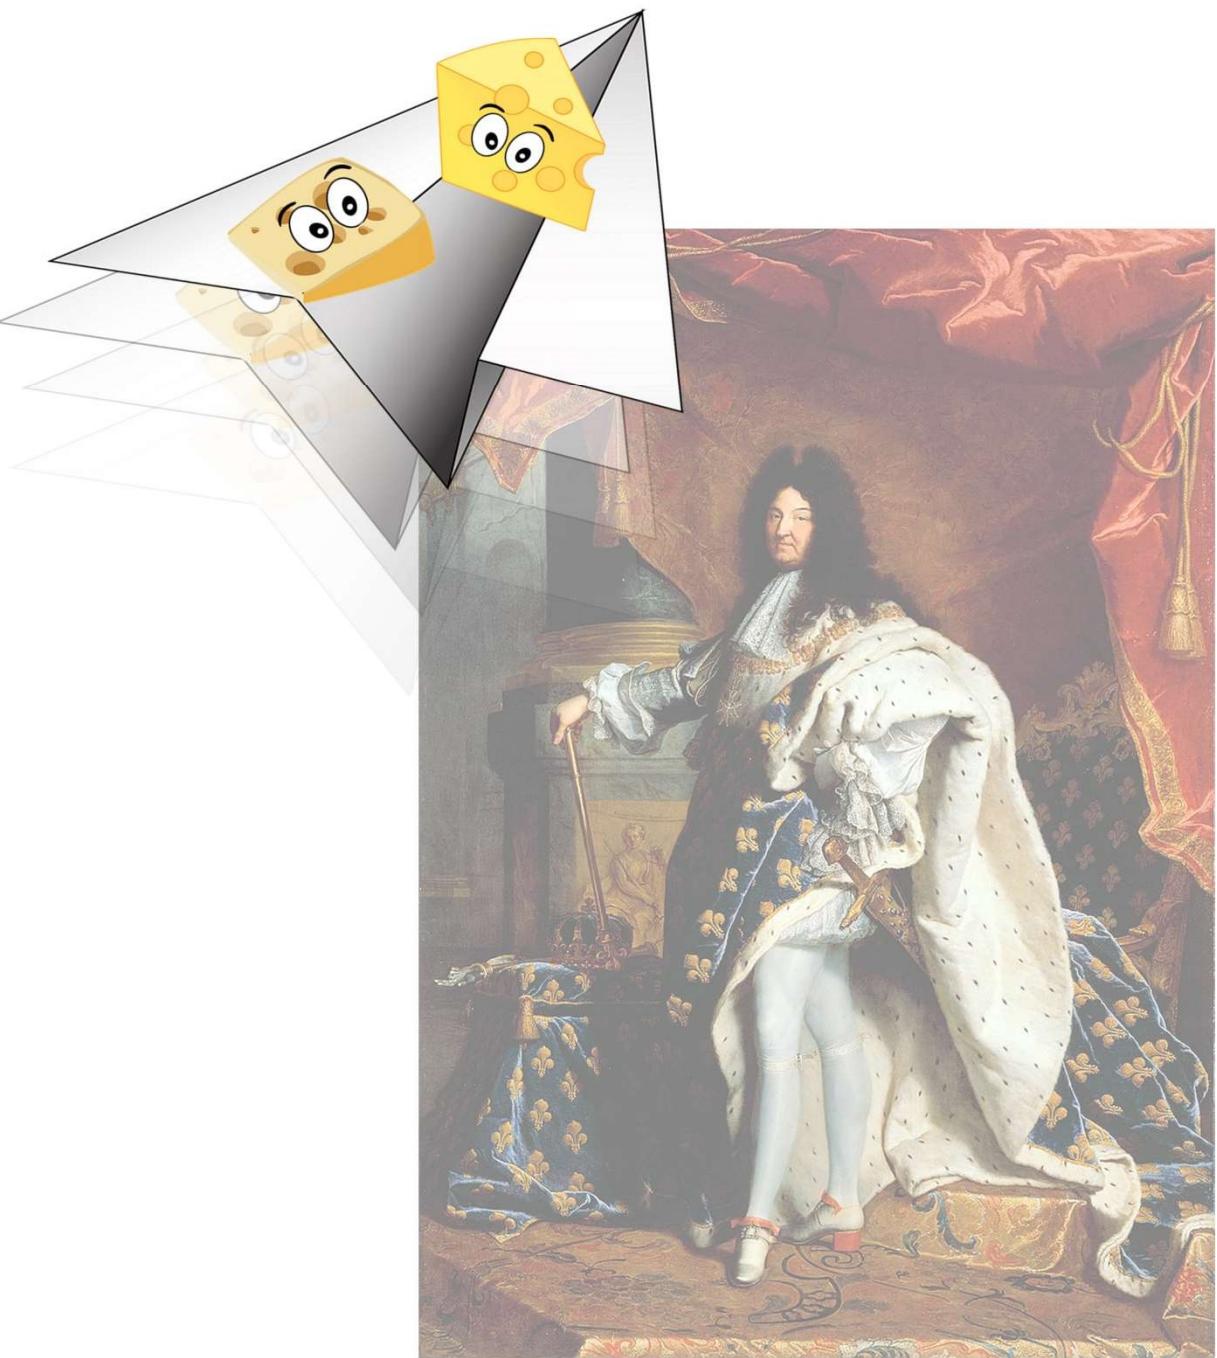

They already collect all the information and they are trying to go back.

But during their way back, when they pass the time period of The Industrial Revolution, the smoke blocks the sensor of the time machine.

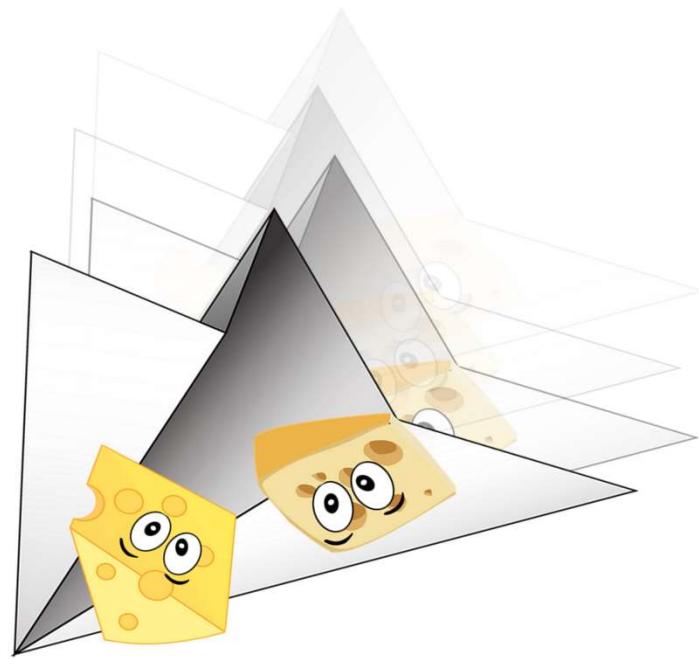

After this, they are going to go back home. But Ketchup cannot go with them because they are born in this time period.

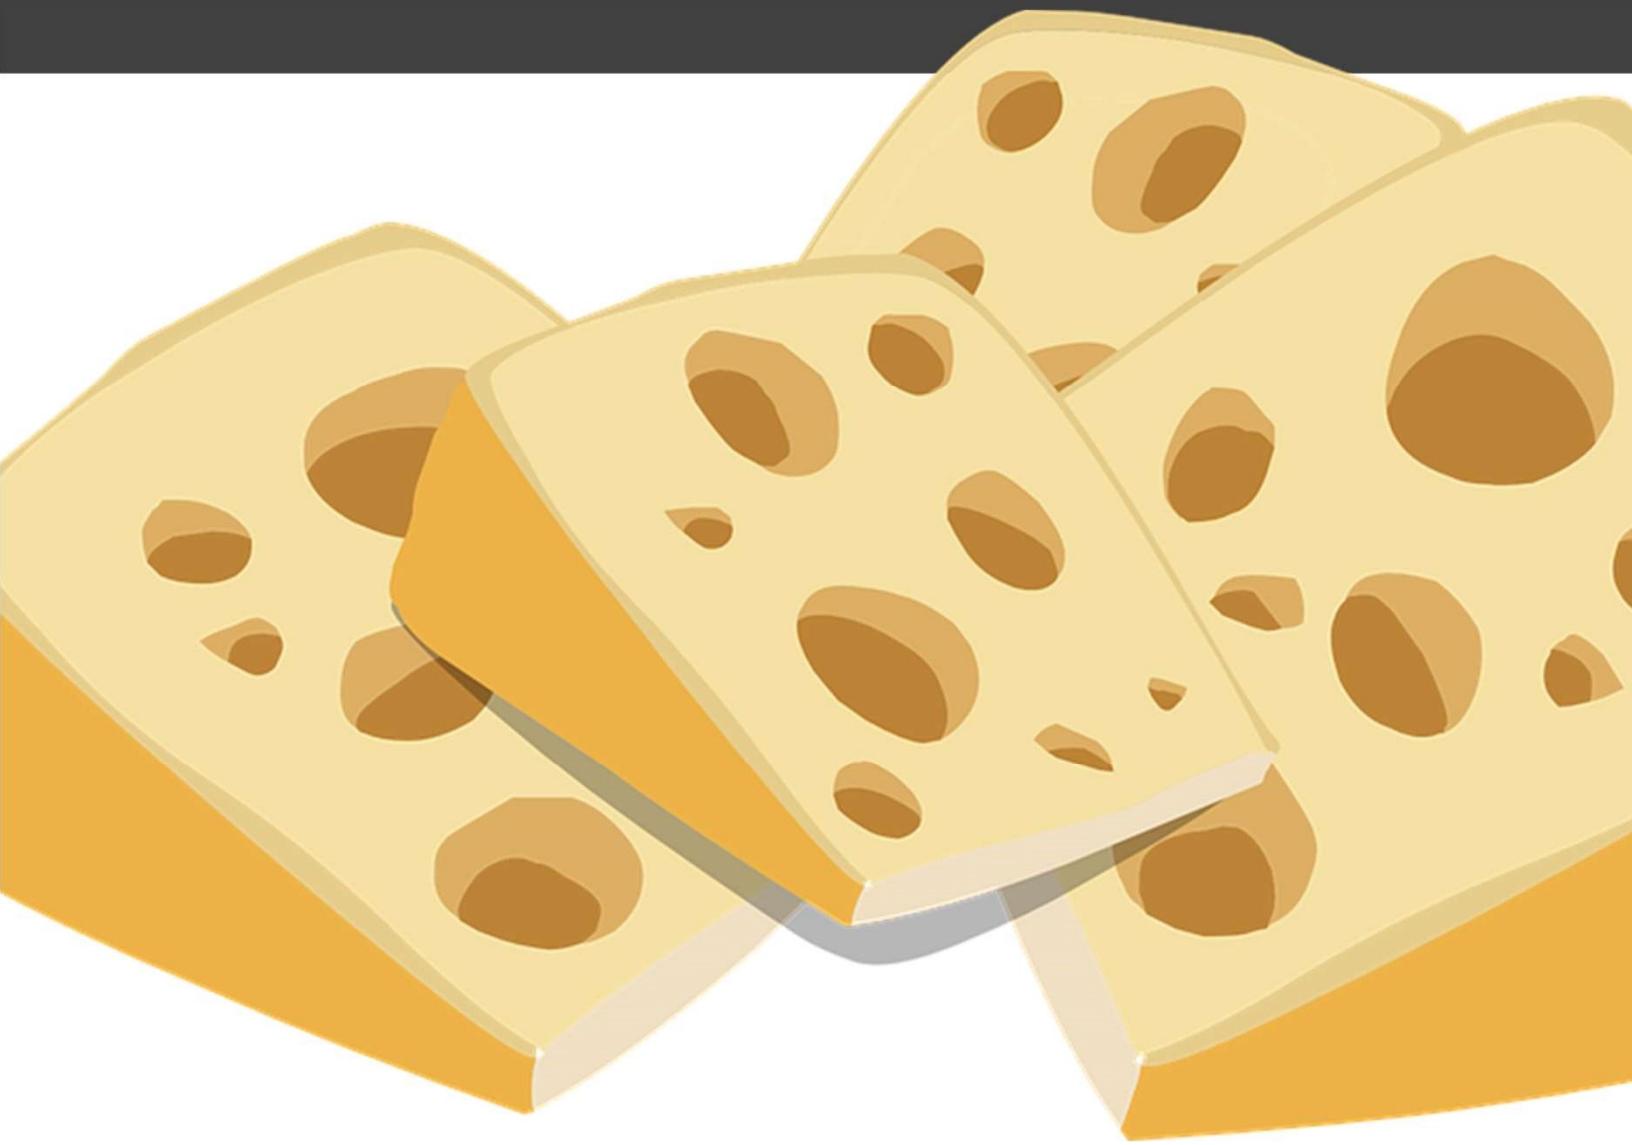

They went to 1685. In this case, they are going to visit **Louis XIV.**

Finally, they finish their travel  
and back to their home to  
continue making cheese  
sculpture.
